

**WHAT IS MAN?**  
(Psalm 8:4, 6; Romans 5:7, 8)

**(Chorus):**

G     D B $\flat$                      F     C  
What is man ↑ that You are mindful of him?  
G             D B $\flat$                      D  
Who are we, Lord, ↑ in light of You?  
C             B $\flat$  F                     B $\flat$      F  
Small in Your sight, ↑ helpless with-out Your power,  
C             B $\flat$  Am                     D  
Weak in Your eyes, ↑ we need Your strength.  
G     D     Am     D - Am - D  
What is man be-fore You, Lord?

**Verse 1**

Dm                     C             F             C  
Though w-e are weak and helpless, weary and a-fraid,  
Dm             C     F     C             G  
You've given us dom-inion over all You've made.  
Em                     A             Em                     A  
When w-e look at the heavens, the work of Your great hand,  
F             Am                     D - Am - D  
We ask You in wonder, "What is Man?"             (repeat chorus)

**Verse 2**

Dm                     C             F             C  
When w-e were still with-out strength, You died in our place,  
Dm             C             F     C             G  
A-rose to bring us new life, and daily give us grace,  
Em             A             Em                     A  
For scarcely for a good man would somebody die,  
F             Am                     D - Am - D  
But You gave all for sinners such as I!             (repeat chorus)
