

PRAISE TO OUR GOD (Page 1 of 2)

Inspired by Psalm 148

E D E D
Praise from the angels and praise from the heights,
E D E D E D E D
Praise from the sun and the moon and the stars in the night.
A G A G
Praise from the mountains, the hills and the trees,
A G A G E D E D
Praise from the creatures who live in the depths of the seas.

(Chorus):

C D C D
Praise to our God who cre-ated all things,
C D C D E D E D
Praises to Jesus, our Savior, our Lord and our King!

E D E D
Praise from the mighty and praise from the small,
E D E D E D E D
Shout with thanks-giving to God Who gives life to us all.
A G A G
Praise from the men and the women on earth,
A G A G E D E D
Praise from the saints to our God who has given us birth. *(repeat chorus)*

PRAISE TO OUR GOD (Page 2 of 2)

Inspired by Psalm 148

E D E D
Fire and hail, stormy wind, snow and clouds,
E D E D E D E D
Towering cedars, and creeping things and flying fowls,
A G A G
Let every-thing praise the name of our King,
A G A G E D E D
His name ex-alt; of His glorious wonders we sing! (repeat chorus)

(Chorus):

C D C D
Praise to our God who cre-ated all things,
C D C D E D E D
Praises to Jesus, our Savior, our Lord and our King!
E D E D E
Our King!

PRAISE TO OUR GOD

Inspired by Psalm 148

**Praise from the angels and praise from the heights,
Praise from the sun and the moon and the stars in the night.**

**Praise from the mountains, the hills and the trees,
Praise from the creatures who live in the depths of the seas.**

(Chorus):

**Praise to our God who created all things,
Praises to Jesus, our Savior,
Our Lord and our King!**

**Praise from the mighty and praise from the small,
Shout with thanksgiving to God who gives life to us all.**

**Praise from the men and the women on earth,
Praise from the saints to our God who has given us birth.**

(repeat chorus)

**Fire and hail, stormy wind, snow and clouds,
Towering cedars, and creeping things and flying fowls,**

**Let everything praise the name of our King,
His name exalt; of His glorious wonders we sing**

(repeat chorus)
