

# SUMMER IMPACT 2010 CLEAN-UP-A-THON INSTRUCTIONS

**Cost of Camp is \$269.00 per camper**

## **In General:**

1. Students will have 8 weeks to gather sponsors before the clean-up-a-thon on Sunday, July 25<sup>th</sup>.
2. Students may either get a pledge for support and *then* collect the money after the clean-up-a-thon, or they may collect the money "*up front*." (Up front is easier, eliminating a step.)
3. Pledge receipts are provided to each student to send to the pledge donor for receipt of pledged donation.
4. Those giving by check shall make the check out to the student or the student's parents.
5. Donors will be given a tax receipt. The student is to fill in the amount of the donation. (Canceled checks are *not* IRS approved tax receipts.)
6. Students shall turn in the total amount for camp in one check, NO LATER THAN Sunday, August 8<sup>th</sup>.

## **Students will be provided with the following:**

- Blank receipts (If you run out, there will be more in the youth mail box in the lobby)
- Pledge receipts.
- A large envelope in which to keep receipts and money.
- Script and instructions.

## **Rules pertaining to raising money from church people:**

1. Students will not be allowed to ask for support from people from church, whether at church or not (that means students should not bring their fund-raising packets to church).
2. Church people are being asked to contribute to the counselor fund.
3. The check written by a parent for their child's camp, whether from the support the student raised or from the parents is not tax-deductible.

**If a student raises support and then does not attend Breakaway, he/she should either return the donations that were collected, or turn it into the general camp fund for program costs.**
